This sheet inspected \_\_\_\_\_

\_\_\_\_\_, Engineer.

## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

While there is not one second foot of water in the source, this amount is granted thereby allowing additional water to be developed up to and including such amount. The water herein granted is subject to regulation by the State at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic feet per second.

Actual construction work shall begin on or before September 25, 1915.

Proof of commencement of work shall be filed before October 25, 1915.

Work must be prosecuted with reasonable diligence and be completed on or before September 25, 1916.

Application of water to beneficial use shall be made on or before February 28, 1919. Proof of the application of water to beneficial use must be filed with State Engineer on or before March 28, 1919.

Proof of labor filed SEP 24 1915

WITNESS MY HAND AND SEAL this 28th day

of July, 1915.

Issued APR 24 1917 of failure of  
applicant to comply with provisions of permit.

Wm. Kearney  
State Engineer
